Kitchen & Bath Planning Checklist

Treasure Valley cabinet design and installation, print and bring to your consultation.

Before design starts

[ ] Photos of existing space (wide + detail shots)
[ ] Inspiration images (layout, style, finishes)
[ ] List must-haves vs nice-to-haves
[ ] Note existing issues (leaks, panel size, ventilation)
[ ] Confirm Ada vs Canyon jurisdiction for permits

Kitchen-specific

[ ] Appliance list (or placeholders), rough-in before drywall
[ ] Cabinet line: stock / value / custom
[ ] Island size and walkway clearances
[ ] Open wall removal? Structural beam needed?
[ ] Lighting plan: cans, pendants, under-cabinet

Bathroom-specific

[ ] Guest vs master, separate budgets
[ ] Shower type: curbless / walk-in / tub-shower
[ ] Ventilation and heat planned with layout
[ ] Aging-in-place features (height, blocking, width)
[ ] Waterproofing inspection before tile

Timeline checkpoints

Phase	Target date	Done
Consultation	_____	[ ]
Preliminary scope	_____	[ ]
Design lock / cabinets ord…	_____	[ ]
Permits approved	_____	[ ]
Construction start	_____	[ ]

during installation

[ ] Temporary kitchen or bath plan if staying in home
[ ] Dust protection and daily access agreed
[ ] Selection deadlines met to avoid delays
[ ] Change orders in writing before work proceeds
